			347	350	365	1062	22

In case of a tie after three rounds the winner shall be determined by the team total of the four scores for the 3rd, 2nd, 1st round.

If there is still a tie, the best disregarded score of the last day will count, then the sixth score of the same day and so on for the second and first day.

When a tie still exists, the winner will be determined by lot.
