XVI ESGA Masters
Championship & Cup
Senior Men 70+

DENMARK
28 June - 3 July 2015

Dear Presidents and Secretariats,

This is the **official invitation** to the 16th ESGA Masters Championship & Cup.

We have already informed you about place, date and the registration fee. This invitation is only sent to the official e-mail addresses of the 23 ESGA member countries. Therefore, Mr. President/Mr. Secretaire, we kindly ask you, to inform your relevant potential master members (about team registration, players registration, payment and hotel booking). There will be no further **website information**.

The European Championship and Cup for Masters teams is an annual tournament over 54 holes

(3 days) for 70 year+ amateur golfers, all members of ESGA.

For The Championship (gross) ESGA members may enter one team of six players with the exact individual handicap limited to 16,0. All teams play strokeplay.

For The Cup (net) ESGA members may enter one team of six players with the exact individual handicap limited to 20,0. All teams play stableford.

For the Cup, handicaps will be adjusted according to EGA standards. (conversion to CONGU)

Each team will designate pairs, to stay the same for the first two days (four ball better balls). The third day everybody play singles.

The best two returned scores in the first two days and the best four returned scores of the third day will count. The team ranking will be based on their total. Furthermore, the guidelines of ESGA Rules & Conditions of Play are valid for the tournament.

We are sure you know these, but if in doubt, please check www.esga-golf.eu
