The Hotel Quinta da Marinha Resort is located in the excellent area of Cascais and Sintra, just 25 kms away from Lisbon, and stands between the city and nature, the beach and the mountains, offering you the perfect setting to fulfil your wishes. In 2014, the Hotel did an extensive ReStyling with improvements in all key areas. It is the ideal place to close a business, play golf and live unforgettable moments while discovering a new vision of luxury and comfort in the heart of nature. You can find all facilities, like swimming pools, restaurants and the most beautiful and prestigious golf courses in the region, and you also have Cascais and Sintra nearby.

### QUINTA DA MARINHA GOLF

The Quinta da Marinha Golf Course has 18 holes with 5.870 meters of pure nature and big challenges. This par 71, designed by the legendary Robert Trent Jones, offers fantastic views over the Atlantic Ocean and the Sintra Mountains. The Lisbon Golf Coast area won the 2007 IAGO Prize - Best Established Golfing Destination Europe. You can challenge your friends to a little competition or practice in lessons with a PGA certified instructor. But most important is to play your favorite sport in a dream landscape.

### BELAS CLUBE DE CAMPO GOLF

Belas CC was the host of the European Senior Tour 2011 and other important tournaments

The golf course is a "Championship Golf Course" incorporating an excellent layout with fairways and greens situated in deep valleys providing exceptional views of the local landscape. The course offers a total golfing experience pleasing everyone no matter what their handicap. It demands technique and strategy and is recognised nationally and internationally as one of the best golf courses in Portugal. It was designed by the renowned American architect Rocky Roquemore, envisaged as a permanent green area for golfers on the site, a meeting point with nature and people.
